## PATHWAY INTO MANUFACTURING CAREERS

Offering training opportunities to veterans and their family members

Supporting service members, veterans & family members on their path into civilian employment through upskilling and placement support. This group of individuals now has access to these nationally recognized professional development and certification programs. Three certifications are available to veterans and their families.

### CERTIFICATIONS:

**CLA** - Foundational-Level  
Certified Logistics Associate

**CLT** - Mid-Level  
Certified Logistics Technician

**CPT** - MSSC's Full Certified  
Production Technician

To learn more about the curriculum included in each certification or for more information about the benefits of each, contact NJMEP's Lance Lopez, [llopez@njmep.org](mailto:llopez@njmep.org), today!

NJMEP partnered with The Manufacturing Skill Standards Council (MSSC) to deliver these nationally recognized credentialing programs. Using this trusted certification body, all participants and their future employers can be confident the education delivered will be effective and relevant to the requirements in a manufacturing operation.

## A TEAM OF EXPERTS

NJMEP has been providing resources to help manufacturers succeed with growth, innovation, and commercialization that has supported economic growth for more than 20 years. Our tailored solutions, connections, and engineering know-how help manufacturers stay abreast of the latest innovative technologies and best practices.

We provide a full range of consulting and training services that help transform your organization into an innovative, high performing, market driven and cost effective operation. These services allow you to increase revenue, reduce costs and improve employee performance.

## WORKING WITH US

We will manage your project from start to finish by coordinating the work of NJMEP and outside experts, if required, while ensuring the project meets your expectations. You will receive updates on the status of the project, have opportunities for input and to measure results throughout the project. We will work directly with you and your staff to ensure your satisfaction.

## ROI IMPACT

For more than twenty years, NJMEP has helped manufacturers become more productive, profitable, and globally competitive. We don't just claim results – NJMEP's impact on the manufacturing community is collected by an independent, third-party.

## ABOUT THE MEP NETWORK

NJMEP is a not-for-profit 501(c)3 organization affiliated with The National Institute of Standards and Technology's (NIST) Hollings Manufacturing Extension Partnership (MEP), a network of approximately 60 MEP centers across the U.S. and Puerto Rico. NJMEP receives some investment and support at the federal level by NIST MEP. NJMEP also provides fee-based consultative services to the New Jersey business community.
