7 Coaches

All volunteer coaches must be certified by a Youth Sports Clinician and through the National Youth Sports Coaches Association (NYSCA). See "Important Dates" for the next certification class. The 87 FSS Youth Sports Program adopts the NYSCA standards of safety and coaching etiquette. The NYSCA teaches psychological and emotional needs of children while in Youth Sports basic sport skills, sportsmanship, and emphasizes on participation rather than winning. In addition, each coach must complete an installation records check (IRC) through required agencies.

8 Transportation

Transportation will not be provided by the 87FSS Youth Sports Office; therefore, it is the sole responsibility of the parents.

9 Refund Policy

Refunds will NOT be given after the MANDATORY PARENTS MEETING. Program costs are fixed and the 87FSS Youth Sports Program incurs costs whether a youth finishes a season or not.

10 Requests

Requests can be submitted through your "notes/comment" section when you register on CYPBMS. We cannot guarantee requests will be met.
